**REFERENCE LETTER FOR OKUSI ISMAIL OMOTOLA**

It is my pleasure to recommend **Okusi Ismail Omotola** for a master's degree programme in Project Management, Glasgow Caledonian University, Cowcaddens Rd, Glasgow, United Kingdom.

Okusi graduated with Second class lower, from the Department of Agricultural Extension and Rural Sociology, Olabisi Onabanjo University. In addition, I have known Okusi for five (5) years since his penultimate year in the university. Therefore, he is a resourceful young man with passion for project management. He is not only passionate about project management but also a practicing manager of projects in agricultural and related ventures.

Okusi is an intelligent, creative and productive individual. He is well equipped to grow and learn from the challenges presented with. His persistence, attention to details, ability to learn and creative mind fit him well for the rigour of any programme or engagement. During his undergraduate study, he demonstrated commitment and dedication to group works and worked independently with expertise. I truly believe he is an eligible candidate who always seek to improve himself and skills through commitment to work. I therefore, highly recommend **Okusi Ismail Omotola** as a suitable candidate for the proposed course of study.

Thank you.
